

## PRELIMINARY PROGRAMME

### SEIOMM CONGRESS GIRONA 2019

**Wednesday, October 16, 2019**

- 12:00-16:00 Registration and congress documents delivery
- 16:00-17:30 **ROUND TABLE I Nutrition and bone health**  
Protein intake, dairy and fractures. Angels or demons?  
**Pilar Riobó Serván** (*Madrid, Spain*)  
Malnutrition and fracture risk  
**Jesús Olmo** (*Seville, Spain*)  
Bariatric surgery and bone  
**José Antonio Balsa** ([Madrid, Spain](#))
- 17:30-18:15 **ORAL COMMUNICATIONS I**
- 18:15-19:15 **PLENARY LECTURE**  
Evidence in the sequential treatment of osteoporosis  
**Bente Langdahl** ([Aarhus, Denmark](#))
- 20:45 Opening ceremony and tribute to retirees (Municipal Theatre of Girona)

**Thursday, October 17, 2019**

**8:30-10:00    ROUND TABLE II Clinical management of osteoporosis**

Management of osteoporosis in 2019 according to the new Clinical Guidelines

**Cyrus Cooper** (*Oxford, England*)

Treatment with denosumab. And thereafter?

**Nuria Guañabens** (*Barcelona, Spain*)

Biosimilars in the treatment of osteoporosis: the new challenge

**10: 00-11:00    THE BEST OF THE YEAR IN BONE METABOLISM**

Basic investigation

**Arancha Rodríguez de Gortázar** (*Madrid, Spain*)

Clinical research

**Manuel Muñoz Torres** (*Granada, Spain*)

**11:00-12:00    Coffee break**

**Poster Session I**

**Poster Session II**

**12:00-13:00    ORAL COMMUNICATIONS II**

**13:00-14:00    AMGEN Symposium**

Real World Epidemiology (RWE) studies in osteoporosis

**Bo Abrahamsen** (*Holbæk, Denmark*)

**14:00-15:30    Working lunch**

**15:30-16:30    SPECIAL SESSION DEBATE**

**The never inDing story: turning around with vitamin D. Pros and Cons.**

Pros    **Jesús González Macías** (*Santander, Spain*)

Cons    **Daniel Prieto-Alhambra** (*Oxford, UK*)

\*Sponsored by Gebro

16:30-17:30 **FHOEMO ROUND TABLE**

Bisphosphonates: 50 years are nothing

**Luis Arboleya** (*Oviedo, Spain*)

Is wrist fracture an osteoporotic fracture?

**Oscar Rosero** (*Bogota, Colombia*)

17:30-18:30 **UCB-Amgen Symposium *Reaching the goal: a horizon fact?***

T2T strategy in other therapeutic areas

**Esteban Jódar** (*Madrid, Spain*)

Where are we going in fragility fractures management?

**Bente Langdahl** (*Aarhus, Denmark*)

18:30-20:00 **General Assembly**

## Friday, October 18, 2019

8:30-10:00 **ROUND TABLE III (GIRONA LOCAL TABLE) Bone metabolism research. Where are we?**

Research experience in international centers

**Jesús Delgado-Calle** (*Indiana,USA*)

Epidemiological studies as a source of new data and new hypotheses

**Prof. Cyrus Cooper** (*Oxford, UK*)

Research on bone metabolism at a national level

**Pilar Peris** (*Barcelona,Spain*)

10:00-11:00 **Aurelio Rapado-FEIOMM-IFMRS Lecture**

Mechanisms of cellular senescence in bone tissue

**Joshua Farr** (*Rochester,USA*)

11:00-12:00 **Coffee**

**Poster Session III**

**Poster Session IV**

12:00-13:00 **ROUND TABLE IV Translational research**

Genetics of atypical femoral fractures

**Neus Roca Ayats** (*Barcelona,Spain*)

Molecular mechanisms and involvement of osteocytes in tumors involving bone tissue

**Jesús Delgado-Calle** (*Indiana,USA*)

13:00-14:00 **Symposium**

When and how to use a bone-forming agent

**Eugene McCloskey** (*Sheffield,UK*)

14:00-15:30 **Working lunch**

15:30-16:45 **ORAL COMMUNICATIONS III**

16:45-18:00 **ROUND TABLE V Phosphorus: the great forgotten in bone metabolism**

FGF-23. Biomarker or therapeutic target?

**Vanessa Pérez Gómez** (*Madrid, Spain*)

X-linked hypophosphatemia (XLH): a chronic disease

**Julio Hernández Jaras** (*Valencia, Spain*)

GF-23 in chronic kidney disease

**Manuel Naves** (*Oviedo, Spain*)

\* Sponsored by Kyowa-Kirin
